

Continuum of Coverage Under the Health Plan

- Members enroll in the active member health plan until they retire. Members must have sufficient contributions to remain covered.
- If a covered member retires between age 53 and 65, they will be offered coverage in the retiree 53 to 65 health plan.
- Those retiring after 65 are offered coverage in the 65+ health plan.
- All persons must be a member in good standing of the IBB for coverage to continue.
