

Boilermakers' National Benefit Plans (Canada) Active Member Pre-Travel Checklist

Print this
checklist and
keep it handy
when planning
your travels

Planning Your Trip

- Check official government advisories related to your travel destination.
- Check that your passport is valid and will not expire within 6 months of your planned trip.
- Check if there are any vaccination requirements for your destination.
- Refill any prescriptions that you will be travelling with.
- Check if there are any visa and entry requirements for your destination.
- Tell your family and friends about your travel plans, including your itinerary and flight numbers.
- Travel with your Boilermakers' Benefit Card and Emergency Travel Assistance Wallet Card and share it with your travel companions.
- Call the Boilermakers' Plan Administration Office at 1-800-668-7547 to confirm that you are covered for benefits.
- Call Global Excel at 1-833-685-2790 (Group Policy Number: JJM00013481) to discuss any medical conditions you or your covered dependants have and any coverage restrictions prior to your planned trip.

Boilermakers' National Benefit Plans (Canada) Active Member Pre-Travel Checklist

More information is
available at
www.boilermakersbenefits.ca

Your Active Member Coverage

- Unlimited number of trips.
- 90 day trip duration maximum for active members.
- \$5,000,000 maximum per covered person, per trip.
- Top-up trip coverage is available by contacting Manulife at 1-833-685-2788.
- Active members under age 70 must be in a stable medical condition prior to departure. Coverage is for sudden and unforeseeable circumstances.
- Active members aged 70-98 must be in a consistent stable medical condition for a period of 180 days immediately prior to departure. There must not be a medical condition that was not stable at any time during the 180 day period prior to departure, for which medical evidence suggests a reasonable expectation that treatment or hospitalization could be required while travelling.
- Termination age is 99.

Who To Call In An Emergency

- Global Excel
- In Canada and the United States: 1-833-685-2790
- Elsewhere: +519-735-9448
- Group Policy Number: JJM00013481
- You must call Global Excel within 24 hours of an emergency.
