ABOUT YOUR WARRANTY COVERAGE:

All hearing aids are given a 90-day trial period to ensure you are comfortable with your purchase.

This offer includes:

- Three-year warranty for all **repairs** – this means if any component fails, such as a microphone or receiver, it will be changed and brought to working order.
- 90 days for **remakes** – this action is performed if there is a fit issue with a custom aid or the aid exterior is damaged.
- Two years of **lost coverage** – if the aid is lost within the two-year warranty period, the aid will be replaced with the same technology. A deductible charge of \$275 applies.

ACCESSORIES:

This offer includes a Surflink Remote Control and Surflink Media Device or a Surflink Mobile remote control on a binaural order. For a monaural purchase, a Surflink Remote control will be provided. These accessories carry a one-year repair warranty.
