No credit is given for any Special Funding Contribution in the collective agreement governing your employment. The credit given for post-retirement contributions will be based on the amount of contribution received by the Fund multiplied by the Pension Plan's transfer ratio as determined by the Trustees from time to time. In accordance with the Income Tax Act, Canada, 100% of Contributions, including the Special Funding Contribution, will be included in the Pension Adjustment (PA) income tax report prepared by your Employer.
